

# CNH has approved more than 12 billion dollars of investment in exploration and development contracts

Published June 13, 2018

## Investment approved by CNH in plans for exploration and development contracts:

- The amount of investment approved so far amounts to 12,047 million dollars (mmusd).
- By location, of every 10 dollars of approved investment, 8.4 correspond to shallow waters (10,064 mmusd), 1.2 to deep waters (1,467 mmusd) and 0.4 to onshore (517 mmusd).
- By basins, highlights that the 86.4% of the approved investment corresponds to the basins of the Southeast, while the deep Gulf of Mexico concentrates a 12.2% of the investment.
- More than 90% of the approved investment focuses on contracts located in Campeche, Tabasco and Tamaulipas.
