Published on June 22<sup>nd</sup>, 2017

Mexico's Government average participation:

**57.29%**

- 10 auctioned areas were adjudicated to 12 companies in Round 2.1.
- This is the first time that companies from Germany, Spain and Russia won an area in Mexico's bidding rounds.
- PEMEX won two areas, both of them as a consortia, one of them with DEA Deutsche Erdoel and the other with Ecopetrol.
