Source: National Hydrocarbons Commission with information of the Information System for Payments of Hydrocarbons Entitlements and Contracts (SIPAC) of the Mexican Petroleum Fund for Stabilization and Development (FMPED), consulted on 26/03/2019.

Notes: Data of informative character with calculations of CNH. It only refers to payments received by the FMPED. In the case of the Exploration, Extraction, Shared Profit and Contractual Fees, the data is adjusted with an average monthly exchange rate obtained from the Bank of Mexico. Information is presented in aggregate form by type of payment and may consider compensations or variations in previous periods.

<sup>1</sup> Mexican Petroleum Fund for Stabilization and Development.

<sup>2</sup> Productive Enterprises of the State.

<sup>3</sup> The amount of net revenues from the commercialization of hydrocarbons does not include payments for commercialization services to the State Trading Company and the I.V.A.

<sup>4</sup> Revenue from signature bonuses / tie-break payments is not included in the graph and distribution of payments from Contracts.

In accordance with Title Three of the Hydrocarbons Revenue Law, the payments in Entitlements are:

-Right of exploration: Fee per km<sup>2</sup>.

-Right of extraction: Percentage rate applied on the value of the produced hydrocarbons.

-Right for Shared Profit: 65% of the value of the hydrocarbons produced minus deductions allowed by the Hydrocarbons Revenue Law.

According to the Second Title of the Hydrocarbons Revenue Law, payments to the State in Contracts are:

-Contractual Fee: Fee per km<sup>2</sup>.

-Base royalty: Percentage rate applied on the value of the hydrocarbons produced.

-Additional Royalty (License): Percentage of the value of the hydrocarbons offered to the State by the contractor that operates the contract area.

-Signature Bonus / Tie-Breaker Payment: Payment at the time of signing the Contract / Element of an offer represented by an economic proposal, that clears a tie in a Bidding Round.

-Net Revenues from the Sale of Hydrocarbons: Income derived from the sale of the State's hydrocarbons. This item only considers the sales of hydrocarbons from Migrations of Pemex.
