

Production of hydrocarbons
Net volume of hydrocarbon production by contract area
December 2022

Table with columns: Contract, Contractor, Volume of oil production (barrels/day) for years 2016-2022. Includes contracts like CNH-R01-L01-A17/2015, CNH-R01-L02-A1/2015, etc.

Table with columns: Contract, Contractor, Volume of natural gas production (thousands cubic feet/day) for years 2016-2022. Includes contracts like CNH-R01-L02-A1/2015, CNH-R01-L02-A2/2015, etc.

Table with columns: Contract, Contractor, Natural Gas Volume for Sales (in its energy equivalent millions BTU) for years 2016-2022. Includes contracts like CNH-R01-L02-A1/2015, CNH-R01-L02-A2/2015, etc.

Notes: 1. Production of hydrocarbons... 2. Production of natural gas... 3. Natural Gas Volume for Sales... Source: Calculations made by the National Hydrocarbons Commission using information submitted by the contractors.
