Source:
- Centro Nacional de Información de Hidrocarburos (CNIH) based on data on payments made by assignees and contractors reported in the Information System for Payments of Hydrocarbon Assignments and Contracts ("SIPAC" for its initials in Spanish) of the Fondo Mexicano del Petróleo para la Estabilización y el Desarrollo (FMP) to December 2023. Consulted on April 01, 2024.

Notes:
Data for informative purpose only, made using calculations by the CNH. Referring only to payments received by the FMP. Information presented in aggregate form by payment type, and may consider compensations or variations from previous periods.
The Exploration Tax, Production Tax, Profit Sharing Tax, the IAEEH (in Spanish) and Contractual Fee were converted to US dollars at the end of calendar month using the exchange rate published in the Diario Oficial de la Federación.
^{1/}IAEEH for entitlements and contracts. With information from Timely Public Finances Statistics to the Ministry of Finance and Public Credit.
^{2/} Revenues from Entitlements, in accordance with the Third Title of the Hydrocarbons' Revenue Law.
^{3/} Revenues from Contracts, in accordance with the Second Title of the Hydrocarbons' Revenue Law. The amount reported with respect to net sales income does not include IVA or the payment for the services of the trader.
^{4/} Signing Bonus / Tiebreaker Payment refers to the cash amount transferred to the FMP, as was determined in the specific bidding round terms and winning bid offer.
^{5/} Additional Royalty refers to the payment established as a share of the contractual value of the hydrocarbons in a given area, in accordance with Article 6(A) IV of the Hydrocarbons' Revenue Law.
^{6/} Exploration phase fee applicable for the exploratory phase, as referred to in Article 23 of the Hydrocarbon's Revenue Law.
^{7/} Base Royalty refers to the payment described in Article 24 of the Hydrocarbons' Revenue Law.
